I saw her light on the night that I
passed by her window
I saw the flickering shadows of love
on her blind
She was my woman
As she deceived me I watched and
went out of my mind
My, my, my, Delilah
Why, why, why, Delilah
I could see that girl was no good for me
But I was lost like a slave that no man
could free
At break of day when that man drove
away, I was waiting
I crossed the street to her house, she
opened the door
She stood there laughing (ha ha ha)
I felt the knife in my hand and she
laughed no more
My, my, my Delilah
Why, why, why Delilah
So before they come to break down the door
Forgive me Delilah I just could not take any more
She stood there laughing (ha ha ha)
I felt the knife in my hand and she laughed no more
My, my, my, Delilah
Why, why, why, Delilah
So before they come to break down the door
Forgive me Delilah I just can not take any more
Forgive me Delilah I just could not take any more
